## HARMONY WITH NATURE

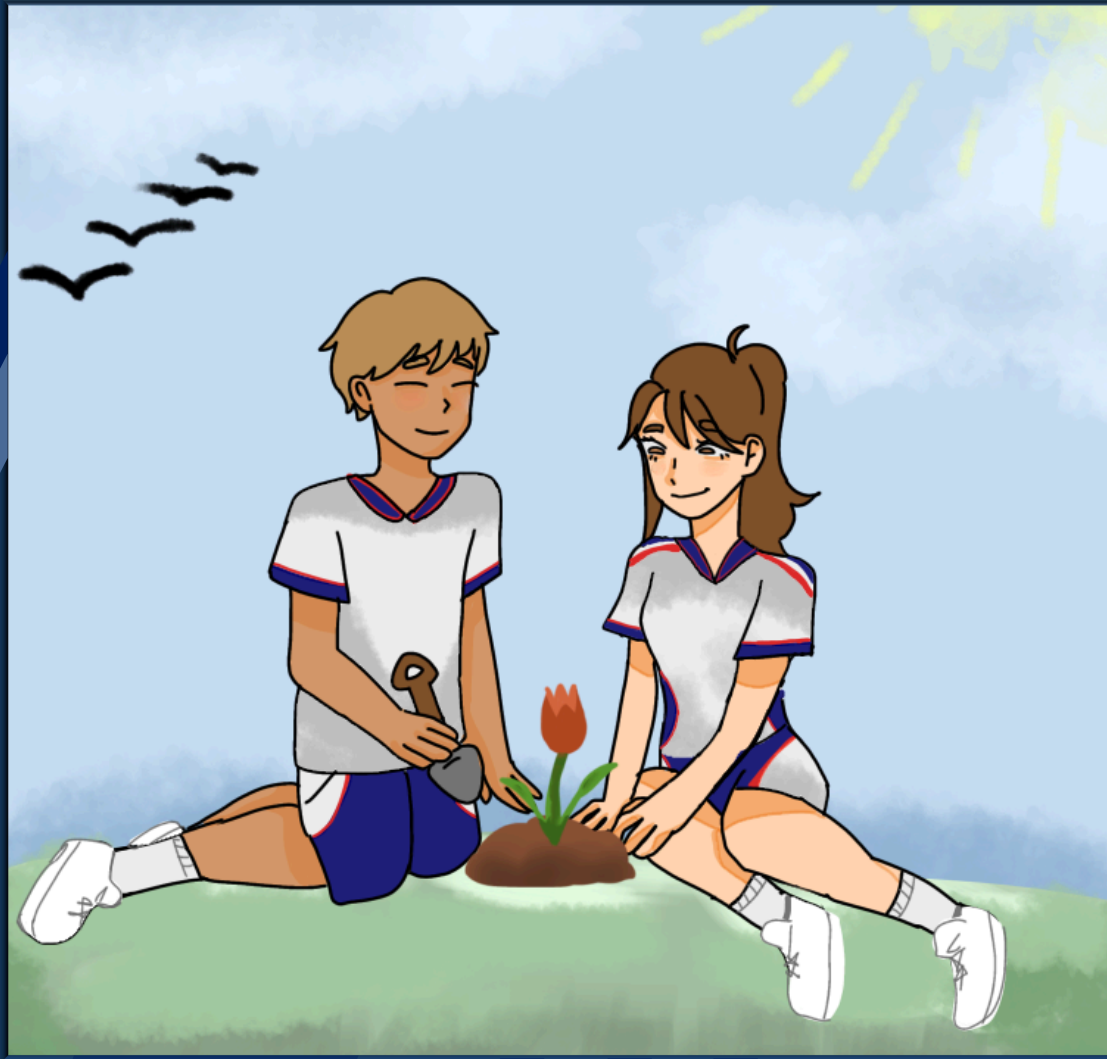

Nature embraces us with its breeze, sings to us with its rivers and illuminates us with its sun. Every tree, every flower and every living being is part of a perfect balance. When we walk barefoot on the earth, we feel its heartbeat; When we breathe deeply, we are filled with its love. Taking care of her is thanking her, protecting her is loving her.  
Listen to her voice, respect its essence and be part of his harmony.

# April

## JOY

It expresses the way in which brothers come in fraternity, in school and in dialogue, express their own needs, serve each other with humility, in reciprocal obedience and try to seek the common good.
